

Our Softbed gets an upgrade

- ✓ even better softness thanks to 3-layer composition
- ✓ integrated slope: drier lying areas
- ✓ optimized protection from moisture

NEW

Softbed LongLine 3-layer mattress comfort

Softbed LongLine

continuous roll system in 3 layers

| 3-layer composition

- › Jointless and durable softness for all load conditions
- › Foam with wave-cut design:
 - › very pliant for high lying comfort
- › Purel foam:
 - › Shock absorption for punctual loads when getting up and lying down
 - › Additional protection from moisture

| Foam-backed, jointless softness within the roll edges

- › Supports correct positioning of the cow
- › Improves sure-footedness

| Smart roll design: All in one

- › Integrated sealing lips and dirt barriers minimize soiling and protect the foam
- › Trapezoidal struts above the foam improve stability and longevity
- › Prefabricated, countersunk fixing points in the head space facilitate installation

| Proven, easy to maintain pebbled surface

| Rear area

- › Pronounced slope: promotes quick drying of the surface
- › Chamfer: protects joints, no stumbling edge

| Laying irrespective of the divider arrangement
