

# Cubicle Divider Classic for cows

## With 5 decisive advantages for your benefit:

- Divider with ergonomic shape and made of one piece – Optimum resting comfort for the animal
- Rigid base plate with 5 screw connections – Simple installation – even in old buildings
- No posts at the back of the resting area – Easy installation of rubber mats
- Cubicle divider made of tubing 60 mm (2") x 3.2 mm – The highest level of stability
- Easy attachment of a brisket board fastener – Optimum resting position for the animal
- Available in 4 lengths for heavy livestock

Comfortable,  
easy installation,  
cost-effective

High Bed Cubicle

Deep Bed Cubicle

All posts and cubicle dividers which come into contact with animal soil and waste should be painted with a bitumen coating!
